

The consultation dates commence Monday 16 March 2026 and will end 5pm Sunday 26 April 2026.

Heslington Neighbourhood Plan

The Parish Council are looking for feedback on the Heslington Neighbourhood Plan. Here's your opportunity to help influence planning policies in our Parish.

What is the Neighbourhood Plan?

There are three types of plan that will influence the way the University, the City and the local community will develop; the Campus Masterplan, the Local Plan and the Neighbourhood Plan. This consultation refers to the Neighbourhood Plan.

The aim of the Neighbourhood Plan is to develop a shared and sustainable vision for the Parish of Heslington and help shape the development and growth of our local area. It supports development for the community where the ambitions of the neighbourhood are consistent with the strategic needs and priorities of the wider local area. It focuses on the future and therefore would only apply to new planning proposals and those brought forward under reserved matters.

The Neighbourhood Plan sits alongside the Local Plan and the University's Campus Master Plan.

Let us know what you think

Heslington Parish Council would like your feedback and any comments you may have about the Policy Areas you are interested in.
